CLUB NOTES

Last season was inaugurated at Deepdale by a visit from our celebrated Tyneside visitors, and a fateful season for both clubs time alone did tell. Strangely enough despite our association with Newcastle over seventy-five long years, they are but infrequent opponents at Deepdale. To-day they provide League fare on this ground for only the twelfth time in the last thirty-six years—due to our relegation in 1925—and then when promoted in 1934, passing the Tynesiders on their way down—where they mysteriously languished until 1948, so that for a period of 24 years, two old and famous League clubs did not clash in that competition.

This afternoon will provide the only instance of a North End and Newcastle United meeting under the Second Division banner. Already we have decided 29 past League engagements at Deepdale—all in Division One—North End winning 16, drawing 4, and the Geordies victorious on nine occasions (including the last two visits).

August 20th, 1960, provided the season's curtain-raiser, North End leading 2-1 with but ten minutes left for play, hanging on with the assistance of ten men. Newcastle made a late smash and grab effort, the winner coming in the final two minutes. *North End :* Else ; Wilson, Walton ; Fullam Dunn, Smith ; Dagger, Milne, Alston, Sneddon, Mayers. *Newcastle :* Harvey, Keith, McMichael ; Wright, Stokoe, Bell ; Marshall, Allchurch, White, McGuigan, Tuohy.

PARKING OF MOTOR VEHICLES

All football supporters are asked to co-operate with the police and fire services in traffic matters near Deepdale. Large car parks exist within a short distance of the ground and more use ought to be made of them. Indiscriminate parking, often on both sides of narrow streets, is an undesirable hazard to the safety of lives and property. In an emergency these conditions would seriously interfere with fire engines, ambulances and police vehicles. Your co-operation in this matter would be appreciated.

OUR VISITORS

Keen Tyneside rivalry was assured when a Newcastle West End club was launched in 1882, in opposition to the already established Newcastle East End outfit. Eventually the two amalgamated and St. James Park ground was secured, with the addition of United to Newcastle in 1893—when they were admitted to Division Two of the Football League. Promotion followed in 1898 and monumental bridges which have spanned the years down to the present time include four First Division championships and six F.A. Cup wins (five of them at Wembley). Sadly enough 1961 brought about the eclipse of both our clubs as far as First Division status is concerned for the time being.

We first encounters Newcastle on Tyneside in a friendly on April 27th, 1886, North End winning 3-1, then a powerful force indeed with but two defeats in a full season of no less than 64 games. The fixture at Newcastle was an annual affair—played against both then known East End and West End clubs. The first North End reverse came on April 29th, 1893, when our visitors were better known as United and duly trounced us 5-0 at St. James Park.

Their first excursion to Deepdale in a Football League game came on October 29th, 1898, when North End were keen to avenge a Cup defeat by the Geordies on this ground in the January of that year. The records reveal that 3,000 spectators were present, and Deepdale must have looked quite different in those days as it describes North End kicking off "uphill" !
